# AIR BACK TO BACK SIT-STAND HEIGHT ADJUSTABLE DESKING

Sedentary working has now become widely recognised as one of the biggest health threats in the modern office.

Employees sitting at desks for long periods of time risk a possibility of developing a variety of conditions. Our Sit-Stand height adjustable desking provides a solution to the health at work challenge.

By using our Sit-Stand desking with a choice of four widths, three frames and six finishes, users will enjoy better general health that will also improve their efficiency at work.

Healthy and happy employees equal increased productivity and efficiency.

### CRAFTSMANSHIP

Dual motors effortlessly elevate and securely uphold a maximum load of 120kg on your adaptable desktop.

### FEATURE RICH

Feature rich design includes 3 pin and USB power sockets and data cable points.

### USER FRIENDLY

The units are equipped with four memory presets, allowing you to store preferred positions for sitting, perching, and standing, with an extra slot to spare.

### EXTEND

Furniture that grows with your team: Air Back to Back furniture's bench format means that this desk range can seamlessly grow with your team
